

THE CYPRUS THIRD AGE LIMASSOL BRANCH BREAKFAST GROUP

A truly golden opportunity to enjoy an excellent breakfast at a very reasonable price. The breakfast group meets once a month at the Miramare Hotel in Limassol. Both continental and English breakfasts are available along with coffee, tea and a fine selection of fruit juices. And, what is more, you can eat as much as you want so those with a healthy appetite are 'quids in'.

The group is run by Lilian Hayball and has proved extremely successful with C3A Limassol Branch members, their relatives and friends. Not only does one get to enjoy a great breakfast but it also provides the opportunity to meet other members of the C3A Limassol Branch and make new friends.

The breakfast group meets on the 1st Thursday of each month at 9am at the Miramare Hotel. The cost per head is only 8 euros as against the normal price of 12 euros per head.

So, if you want to enjoy a cracking breakfast at a very reasonable rate, join the C3A Limassol branch. To join the C3a Limassol Branch, and to read and view about our many other activities
